Contributions to scientific journals must be written according to the instructions of the given journal. Contributions to the proceedings must be written in Microsoft Word. Instructions, along with a sample formatted article, are available on the site [www.bezpecnostpotravin.sk](http://www.bezpecnostpotravin.sk), [www.potravinarstvo.sk](http://www.potravinarstvo.sk)

**NOTE:** Contributions to journals will be accepted after the editor's statement and published continuously according to the order in which they were submitted. In case of rejection, the author can modify them for publication in the proceedings. Proceedings submissions that do not meet the stated guidelines will be returned to the author for revision. The organizers reserve the right to select entries! Contributions to the anthologies should only be sent by e-mail to the address [bekop2023@gmail.com](mailto:bekop2023@gmail.com)  
**In the title of each contribution, the identifier BKB23 must be indicated at the beginning, based on which the articles will be identifiable mainly in journal databases. It is not necessary to enter the identifier in the registration form.**
